Discover the Freedom of Flotilla Sailing in Greece

Your Own Yacht. Your Own Adventure. The Freedom to Explore.

Join **Athens Sailing Academy and Greek Sails** for an unforgettable flotilla sailing holiday in Greece, with weekly departures from April through October. Explore the beautiful islands and coastlines of the Saronic and Argolic Gulfs, where crystal-clear waters, picturesque fishing harbours, traditional Greek tavernas and welcoming island communities create the perfect setting for a sailing adventure.

A flotilla holiday offers the best of both worlds: the freedom of skippering your own yacht, combined with the reassurance, support and companionship of sailing in a group.

Your Sailing Qualifications

To join our flotillas as skipper, **you must hold an ASA 104 Bareboat Cruising Certification or a higher recognised qualification acceptable for the charter.** You will be responsible for the safe operation of your yacht and the welfare of your crew throughout the holiday.

Our flotillas are designed for qualified skippers who want to enjoy the independence of bareboat chartering while benefiting from the additional support and companionship of a flotilla.

Come Aboard and Experience Flotilla Life

At Athens Sailing Academy , we believe that the best sailing holidays combine the freedom of the sea with the pleasures of discovering Greece and meeting people who share your passion for sailing. Our flotillas are led by an experienced crew aboard the lead yacht. They are there to provide local knowledge, practical advice and assistance throughout your holiday. From choosing a sheltered anchorage or finding the best harbour for the night to understanding the local weather and wind conditions, their experience helps make your sailing holiday smoother, safer and more enjoyable.

Choose Your Own Yacht and Your Own Crew

Every crew is different, which is why we offer a choice of yachts to suit your party size and requirements. Whether you are a couple looking for a relaxed island escape, a group of friends seeking an active sailing adventure, or a family wanting to share a memorable holiday together, you can select the yacht that best suits your needs.

Your yacht becomes your own private floating home for the week. You have your own space, your own crew and the freedom to enjoy life on the water together, without sharing your accommodation with strangers. During the day, you sail through the beautiful Greek islands, exploring sheltered bays, visiting traditional harbours and enjoying the pleasure of being under sail. In the evenings, the flotilla comes together, often mooring in the same harbour or anchorage. There is time to swim, explore ashore, enjoy a drink overlooking the water and discover the local tavernas serving freshly prepared Greek food.

Even experienced skippers appreciate the flotilla lifestyle. You have the freedom to sail your own yacht, choose your crew and enjoy the Greek islands, while sharing the experience with other sailors. It is a relaxed and sociable way to discover new destinations without giving up your independence.

Explore the Saronic and Argolic Gulfs

Our flotillas explore the Saronic and Argolic Gulfs, an outstanding sailing area for discovering the beauty and character of coastal Greece. Enjoy island harbours, sheltered anchorages, clear swimming waters, traditional villages and the welcoming atmosphere of authentic Greek island life.

With weekly flotillas running from April through October, you can choose the time that best suits your plans and join us for a week of sailing, exploration and relaxation.

Sail by day. Explore Greece. Share the evenings. Make memories that last.

Your Greek sailing adventure awaits!
